

The Coosa Valley Cycling Association,

or CVCA, was formed in 1989 as a not-for-profit organization to promote safe and fun bicycling for riders of all levels and abilities through organized rides, promotions and other activities. It is made up of enthusiastic cyclists from the Coosa Valley area who come from all age groups and walks of life.

Club Rides and Activities:

CVCA regularly schedules weekly organized rides for both road and mountain bikers. These rides are for cyclists of all abilities and ages, and include novice and family-type rides. Throughout the year, theme rides are scheduled for our members and other riders in the area. These rides include the new members picnic/ride; the Chili Ride; the Fall Colors Ride; the annual club picnic/ride; and more. All of these rides encourage fitness, safety and fun for individuals and families.

In addition, regular club meetings which feature guest speakers and informational programs are held throughout the year.

Advocacy:

CVCA also focuses on being an advocate for cycling. We meet with local and state officials to emphasize awareness of safety for bicycles, and work toward the planning of lanes, paths and facilities for bicyclists.

CVCA-Sponsored Rides:

CVCA sponsors a major paid ride each year. "Up the Creek Without a Pedal," with route options of 10, 30, 62 and 100 miles, takes place in May, with more than 400 cyclists participating. This ride covers scenic roads through the countryside north of Rome and is one of the more popular rides in the state, with a route to please almost any rider.

This ride provides CVCA with the funds to donate to cycling causes and activities, including trail construction and upkeep, cycling education and the distribution of safety equipment to lower income children and adults.

Dues:

Membership runs from January to January and is \$15.00/individual (\$12 after two years of continuous membership) and \$25/couple or family (\$20 after two years of continuous membership).

If joining January-May, the full dues are paid and will carry you to the following January. If joining June-December, dues are \$7.50/individual and \$12.50/couple or family and will carry you to the following January
